

VSE

VSE is an opportunity,
an opportunity to learn,
an opportunity to ~~get~~
gain new skills and
to get a fresh perspective
which is ~~more~~ ~~so~~ valuable
in jail because ~~in fact~~
you see and hear a lot
of the same things over
and over again, like its
groundhog day.

Who wants to leave
& the same as they
came? no one! we all
have dreams in our cell
of achieving: getting
a job, starting a business,
making our families proud
and providing. Why wait

until now!
VSE your home, start
us be better and to help
is what they are and that
want because they are
volunteers. They can cater
the lessons to you, so
~~wherever~~ you so you
can get what you need.

VSE is an opportunity.
I took it and I'm better
of for it.
